

IT'S TIME FOR LEARNING. BY DOING.

INTERNATIONAL INTERNSHIP PROGRAM

«Equity Research» in London/Munich

UniCredit is a leading financial institution with more than 165,000 employees in 22 European countries. As the first truly European bank, we have reached a leading role in Austria, Germany and Italy, and operate the largest banking network in Central and Eastern Europe.

Corporate and Investment Banking (CIB) combines Client Relationship Management and the activities of our Global Factories Financing & Advisory, Markets, Global Transaction Banking and Leasing. Our clients are companies from small and medium enterprises to large multinational companies.

Our International Internship Program:

Interested in cross-cultural experiences and learning opportunities? Our program offers you a learning experience based upon international collaboration within UniCredit's international network culture. You will start and work in one business area and rotate cross-border to other locations within that area. Business guidance will be provided by your own mentor during your program.

Our **Research Team** is looking for an intern with the following tasks:

- VBA programming in order to aid Microsoft application intergration/connectivity (MS-Word, Excel, Outlook, SQL-Server, Sharepoint-Server)
- Development of processes that allow the automatic generation of documents that are to be published
- Optimization of company valuation formulas published in equity research reports

Your Profile:

Outgoing personality with

- Business or information technology studies
- Knowledge of financial analysis
- Proficiency in English
- Programming knowledge (.net, VBA)
- International experience

Date of entry: February 2011
Duration: 6 months
Location: 3 months in Munich
3 months in London
